D. Certification

By my signature below as a responsible official for the entity identified in Section C of this NOT, I certify under penalty of law that all stormwater discharges associated with industrial activity from the identified facility that are authorized by a MEPDES General Permit have been eliminated or that I am no longer the operator of the facility. I understand that by submitting this Notice of Termination, I am no longer authorized to discharge stormwater associated with industrial activity under this General Permit, and that discharging pollutants in stormwater associated with industrial activity to waters of the United States is unlawful under the Clean Water Act where the discharge is not authorized by a MEPDES permit. I also understand that the submittal of the Notice of Termination does not release an operator from liability for any violations of the permit or the Clean Water Act.

Instructions for Completing the NOT Form

To complete this form, type or print in the appropriate areas only. If printing, use uppercase letters. Make sure you have addressed all applicable questions and have made a photocopy for your records before sending the completed form to **Maine Department of Environmental Protection, 17 State House Station, Augusta, ME 04333-0017.**

Section A: Permit Information

Enter the existing MEPDES Stormwater General Permit number assigned to the facility or site identified in Section C. If you do not know the permit number, telephone or write to the DEP Stormwater Coordinator.

Indicate the reason for submitting this Notice of Termination by checking the appropriate box.

- If there has been a change of operator and you are no longer the operator of the facility or site identified in Section C, check the corresponding box.
- If all stormwater discharges at the facility or site identified in Section C have been terminated, check the corresponding box.

Section B: Facility Owner or Operator Information

1. Provide the legal name of the person, partnership, co-partnership, firm, company, corporation, association, trust, estate, governmental entity or other legal entity that operates the facility or site described in this application. The name of the operator may or may not be the same as the name of the facility. The responsible party is the legal entity that controls the facility's operations, rather than the plant or site manager.
2. Provide the telephone number of the facility operator.
3. Provide the mailing address of the facility operator. Include the street address or P. O. Box, city, state and zip code. All correspondence regarding the permit will be sent to this address, not the facility address in Section C.

Section C: Facility/Site Information

1. Enter the official or legal name of the facility or site.
2. Enter the complete street address (E911 in Maine), if no street address exists, provide a geographic description (e.g., Intersection of Routes 9 and 55), city/town, county, state and zip code. Do not use a P. O. Box.
3. Enter the latitude and longitude (**if known**) of the approximate center of the facility or site in degrees/minutes/seconds. Latitude and longitude can be obtained by using a GPS unit, or by searching for your facility's address on several commercial "map" sites on the Internet.

Section D: Certification

Enter printed name, date, title of position and signature. This application must be signed by:

- For a corporation: a responsible corporate officer
- For a partnership or sole proprietorship: a general partner or the proprietor
- For a municipal, State, Federal, or other public facility: either a principal executive or ranking elected official
